PROFILE

I am a 22 year old media design student, living in Valais, Switzerland. I have always been willing to create things, drawings, photos, videos and now I am doing it full-time.

WORK EXPERIENCE

I have worked from 2019 to 2021 as an accountant for a ski station, I learned there how to work and communicate well with colleagues.

In 2022, I was employed as a seller for a shoe company in Montréal, Canada. There, I learned how to speak professionally and kindly to all of our customers. I also improved my english a lot.

EDUCATION

I went to the Ecole de Commerce in Martigny (VS) and got my degree in 2019.

I am now a full time media interactive design student at Eracom, Lausanne.
